**June 2002**

**June Meeting:** The monthly meeting will be held at 7 p.m. Wednesday June 5, 2002, in the conference room on the first floor of the Z.J. Loussac Library. The meeting is always open to the general public. Bob Waites will give a talk on British Crest's and Coat of Arms. Irene Stewart, Lynn Pikey, and Mickey Knapp will provide the refreshments and Nancy Ferko will furnish the juice.

**May Meeting:** There were 29 members and five guests present. Guests included Jerry Delson, from California, who gave an interesting presentation on Jewish research. The other guests were Bob & Barbara Stinson, who became our newest members, and Stan & Toni Kurezynski all from Anchorage. The program was a question and answer session that covered some of the problems that can be encountered in language changes; interpretation from another language or progression as in a present day person reading a manuscript of the 14th or 15th century English.

**July Meeting:** Cancelled as the meeting date falls on the 3rd of July, being the eve before the holiday the board decided that we would forego the meeting for this month.

**Seminar:** The 16th annual AGS seminar is to be held Saturday the 7th of September. The pre-registration fee will be \$40.00 and \$45.00 at the door. Two door prizes of the refund of the registration fee will be awarded at the seminar. Richard Hooverson will be our speaker; he will present four different topics:

1. Westward Ho: American Settlement and Patterns,
2. Waters West: The Erie Canal and Great Lakes,
3. Life in the Past Lane: Every day life of Yesteryear,
4. Soiled Doves: Prostitution and the Under Class.

Contact Llana Markey, our seminar chairperson, at 563-7741 or e-mail lrmarkey@ak.net to find your spot in making this a successful seminar.

**FGS:** Most genealogical societies around the country belong to the Federated Genealogical Societies, (FGS). Being a member we are qualified to send a delegate to the annual seminar put on by the FGS, this year it is being held in Ontario, CA in August. The executive board of the Anchorage Genealogical Society has decided to offer two \$250.00 scholarships to attend this annual meeting. Some of the criteria are; member of AGS for at least two years, work as a volunteer for the society, present a talk to the society upon your return from the annual meeting, attendance on this scholarship is limited to not more than once every three years. Send your letter to the AGS address above listing your qualifications and why you wish to attend. The winners will be selected at the June 19th Executive Board meeting, so your letter must reach us on or before the 18th of June 2002.

**Greeting Cards:** Do you have any extra, unused, blank or not inside, greeting cards? Our society's corresponding secretary can use those extra cards. Bring them to a meeting or give them to any member to be brought in. Those that we cannot use will be given to the Anchorage Senior Center for their use.

**Irish Music Festival:** The information we have on this is it is being postponed until August.

**Scottish Highland Games:** The games will be held on Saturday the 22nd of June at the Lions Park in Eagle River. Our coordinator for the games, Lynn Pikey, would appreciate some volunteers to help set up and man the booth. Lynn may be contacted at 338-1923 or e-mail at ljpmx@hotmail.com.

**Sharing Your Memories:** Perhaps I can help with the problem of fading fast. My father-in-law was a prolific photographer. He had traveled the world over with the Navy, including one journey with the last Admiral Byrd expedition to Antarctica in 1955-56. About five years ago, my husband taped his dad as they viewed six carousels of slides. We hoped to have them put on a compact discs (CDs) and the voice added-someday. Early this year I went into a local large discount store. I wanted about 200 slides printed, which their in-house photo department did at a reasonable rate. I asked if they know of anyone who would transfer slides to CD. They said they offered that service at the cost of \$8.99 per CD with about 140 slides on a CD. I brought in the six carousel trays the next day. They did a great job. My husband used PowerPoint to add the audio, and we can now send copies to all the family.
